

# East Ridings EYFS fun, practical workshop day

Saturday 8th June 2019 at  
Bishop Burton College 8.45am-3.15pm

## Let the Fun Continue!

### Creative Clay

Hands on, messy play workshop by Dr Alex Hallows, local artist, promoting children's scientific enquiry, creativity and sensory language through play with clay

### Creative Kitchen

Build basic maths and literacy concepts and grow confidence and communication skills through this workshop by Hornsea Nursery practitioners

### Loose parts

Develop children's curiosity and problem solving skills with James Tunnell's loose parts workshop. Understand the theory behind the practice considering organisation within Early Years provision

### Music and Movement

Helen Battelley is leading an instant impact in movement workshop for all EYFS staff to engage pupils in all subject areas through movement, ideal to inspire boys
